

UNDERGRADUATE STUDENT SENATE
RESOLUTION BILL – S.18-R-002

Concerning the continued support of Women of USG, to provide support and programming for all women in Student Government.

1. **Whereas** 67% of women in a KPMG Leadership Study said they needed more support building confidence to feel like they can be leaders*, and
2. **Whereas** Undergraduate Student Government is stronger with a variety of perspectives, including those of women, and
3. **Whereas** intentional community with the purpose to strengthen each other has proven an effective method of confidence building, and
4. **Whereas** Student Government would be bettered by such a sustainable community for self-identifying women and allies, and
5. **Whereas** stating this program through a Resolution Bill will hold the Undergraduate Student Government accountable for continued programming, support, and success of “Women of USG,” and
6. **Whereas** “Women of USG” will develop diverse programming that addresses a wide range of issues of particular interest to women, including:
 - i. University-wide programming (i.e. Menstrual Product Access)
 - ii. USG educational programming (i.e. Bystander Intervention Training)
 - iii. “Women of USG” programming (i.e. Community Building), and
7. **Whereas** “Women of USG” has had success in the previous year and needs to be renewed to continue making progress for women.
8. **Therefore be it resolved** that “Women of USG” be established as an inclusive, nonpartisan, student-run group that fosters an area of growth and support for programming and policy discussions that affect the women of USG.
