

UNDERGRADUATE STUDENT SENATE  
RESOLUTIONS BILL – S.18-R-004

*Concerning programming for the support of minority students to have opportunities and be successful in their involvement and engagement with Undergraduate Student Government (USG).*

- 1     **Whereas** the representation, engagement, and success of minority students and their initiatives is critical to the function of USG, and
- 2     **Whereas** USG has recently added a Director of African American Affairs, a direct representative of the African American Cultural and Resource Center, in addition to preexisting identity-based directors, and
- 3     **Whereas** USG will (co)host three programs this academic year, including:
  - SG–UBSA–Irate 8 Debrief
  - Campaigns of Color–The Minority Election Workshop
  - A Seat at the Table–Leadership Navigation
 to strengthen the community of USG minority students, as well as establish University-wide support for minority student leaders, and
- 4     **Whereas** establishing this series of programs through a Resolutions Bill will hold USG accountable for the future monetary support of this initiative, and
- 5     **Whereas** the establishment of this series of programs will be recognized as the founding of the Minority Leader Circuit
- 6     **Therefore be it resolved** that the Minority Leader Circuit be established as an inclusive, student-run series of programs, that stimulates the growth of minority student leaders and provides support for policies concerning the advancement of minority students.
